

List of Available Illinois Institute of Technology Courses

BUSINESS

[BUS 351](#) Financial Decision-Making

_____ Entrepreneurship II

COMMUNICATIONS

[COM 424](#) Document Design Principles and Strategies

[COM 428](#) Verbal and Visual Communication

COMPUTER SCIENCE

[CS 115](#) Oriented Programming I

[CS 116](#) Object Oriented Programming II

[CS 201](#) Accelerated Introduction to Computer Science

[CS 331](#) Data Structures and Algorithms

[CS 425](#) Database Organization

[CS 442](#)

[HIST 373](#) History of Video Games

INFORMATION TECHNOLOGY AND MANAGEMENT DEVELOPMENT

[ITMD 361](#) Fundamentals of Web Development

[ITMD 362](#) Human Interactions

[ITMD 455](#) Intelligent Devices Application

[ITMD 462](#) Web Site Application Development

[ITMD 465](#) Rich Internet Applications

[ITMD 534](#) Human Interactions

INFORMATION TECHNOLOGY AND MANAGEMENT OPERATIONS

[ITMO 340](#) Introduction to Data Networks and the Internet

[ITMO 356](#) Introduction to Open Source Operating Systems (Linux)

[ITMO 444](#) Cloud Computing Technologies ITMO

[ITMO 454](#) Operating System Virtualization

INFORMATION TECHNOLOGY AND MANAGEMENT SECURITY

[ITMS 418](#) Coding Security

[ITMS 428](#) Database Security

[ITMS 443](#) Vulnerability Analysis and Control

[ITMS 458](#) Operating System Security ITMT

APPLIED MATHEMATICS

[MATH 131](#) Mathematics for Sustainability

[MATH 225](#) Introductory Statistics

[MATH 333](#) Matrix Algebra and Complex Variables

[MATH 435](#) Linear Optimization

[MATH 446](#) Introduction to Time Series

[MATH 453](#) Combinatorics

[MATH 454](#) Graph Theory and Applications

[MATH 474](#) Probability and Statistics

[MATH 475](#) Probability

[MATH 476](#) Statistics

PSYCHOLOGY

[PSYC 363](#) Introduction to Sports Psychology (*Available in Summer semesters only)
