

## STARR FIELDHOUSE RESEARCH FELLOWSHIP

The Starr Fieldhouse Research Fellowship are made possible through a generous donation from the Starr Foundation and IIT's capital campaign match to honor Irv Fieldhouse, who until his death in 2005 was an active member of the IIT-IITRI community for over 40 years. To enhance Mr. Fieldhouse's commitment for developing joint research projects, both fellowships target research that leads to cooperation between IIT and IIT Research

List most recent first. Include copies of post-secondary academic transcripts.

| College or University | Start Date<br>(MM/YYYY) | End Date<br>(MM/YYYY) | Degree Awarded/<br>Expected | Date of Degree<br>(MM/YYYY) | Major |
|-----------------------|-------------------------|-----------------------|-----------------------------|-----------------------------|-------|
|                       |                         |                       |                             |                             |       |

List all relevant experience since entering college/university. List most recent first.

| Title/Position | Institution/Organization | Start and End Dates<br>(MM-YYYY to MM/YYYY) |
|----------------|--------------------------|---|
|                |                          |   |

List any financial support you have received from IIT.
