## Completing the FAFSA <sup>®</sup> Form [continued]

Who is considered a legal parent on the FAFSA form? Legal parents are biological or adoptive (regardless of gender), or as determined by the state (for example, if the parent is listed on the birth certificate). Grandparents, foster parents, legal guardians, widowed stepparents, aunts, uncles, and siblings are not considered parents on this form unless they have legally adopted the student.

Which parent should include information?

- If the student's parent was never married and does not live with the student's other legal parent, or if the parent is widowed and not remarried, that parent should only provide their own information in the Parent section, and the Parent Spouse or Partner section should be skipped.
- If the parents are divorced or separated, answer the questions about the parent who provides the greater portion of the student's financial support, even if the student does not live with them. If b()en-US>e sotUtSthe [650 0 0 10 22.60ent ctUSent ctUSent ctU ctUS
