What to Do if Your PSLF Form Is Denied

1. Digitally Sign and Submit:

You may use the PSLF Help Tool to:

- complete your PSLF form,
- send your form to your employer to digitally sign the form to certify your employment, and
- electronically submit to the PSLF service for processing.

You will need to provide the correct email address for an authorizing official to receive an email from us requesting they certify your employment and digitally sign the form.

Tell your employer to expect an email sent from DocuSign (dse_NA4@docusign.net) on behalf of the Department of Education's office of Federal Student Aid. Once your employer certifies and signs your form, it will be electronically submitted to the PSLF service for processing.
